

## Duct Systems OSP

### Tools for microducts and cables

#### Microduct Cutter

For cutting 4, 7 and 10 mm microducts

##### Components

Microduct	Packaging	Ordering code
4, 7 and 10 mm	Box 1 piece	1013889

#### Blow-in Cap (microducts)

For jetting microducts into a duct. To be mounted on the head tube. Used to overcome any irregularities at duct/connector locations.

##### Components

Microduct	Packaging	Ordering code
10 mm	Bag 5 pieces	1013891
7 mm	Bag 10 pieces	1013890
Bundle 6x4 mm	Bag 5 pieces	1013892

#### Blow-in Cap (cable)

For jetting cables into a microduct. To be mounted on the front of the cable. To overcome irregularities in microduct/connector locations.

##### Components

Cable type URE or LRE	Packaging	Ordering code
1.8 mm	Bag 25 pieces	1014164
2.1 mm	Bag 25 pieces	1014286
2.9 - 3.2 mm	Bag 10 pieces	1016506
3.5 - 4.0 mm	Bag 10 pieces	1013901
4.3 - 5.0 mm	Bag 10 pieces	1013902
5.1 - 6.0 mm	Bag 10 pieces	1013903
7.1 - 8.2 mm	Bag 10 pieces	1013904

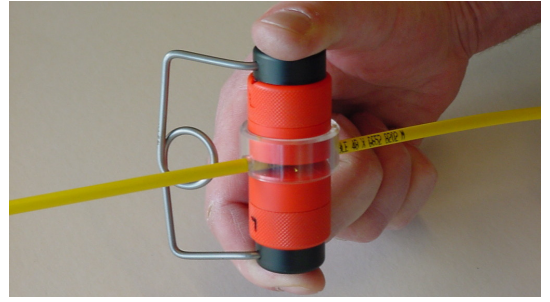

## Sheath Cutter

For removing the sheath from blowable cables.

### Components

Cable type URE or LRE	Packaging	Ordering code
D < 4 mm	Piece	1013898
D ≤ 5.5 mm	Piece	1013899
D ≤ 6.0 mm	Piece	1013900
TRX CABLE	Piece	1014165

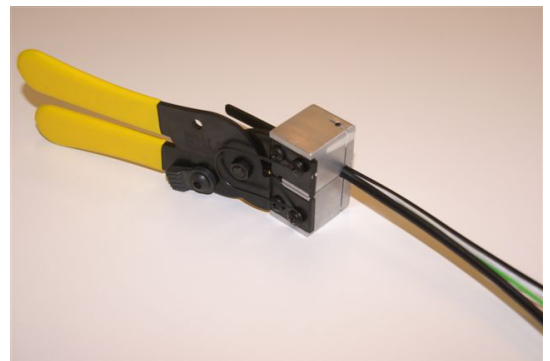

## Sheath Cutter

For removing the sheath from Direct Buried cables

### Components

Cable type	Packaging	Ordering code
D = 6 mm	Piece	1016320

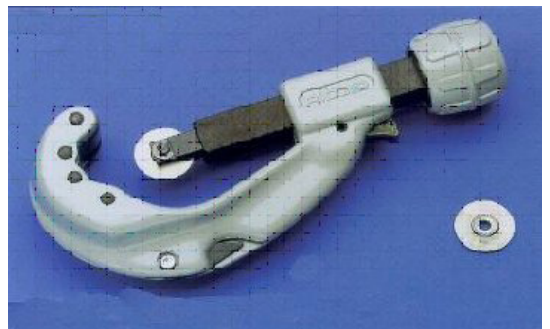

## Conduit Cutter

For cutting protective ducts 6-60 mm

### Components

Duct	Packaging	Ordering code
6-60 mm	Piece	1014813

## Splay Tool

Tool for removal of sharp edges of inner/outer ducts

### Components

Duct	Packaging	Ordering code
6-60 mm	Piece	1015785

## Value Innovation

Value Innovation is a way of looking at the world. How can we help our customers do more, save more, achieve more? Draka is a global leader in delivering advanced cable and network solutions. Focusing on the passive

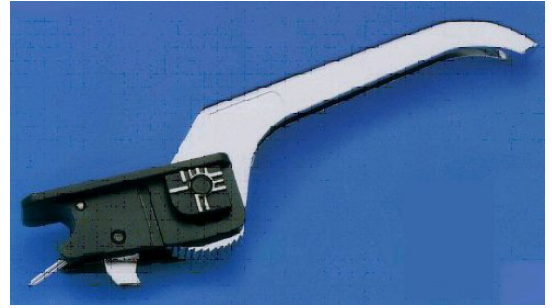

elements of the network, our goal is to deliver superior network software, connectivity and cable solutions that meet your current and future network requirements, based on more bandwidth, longer life and absolute reliability.

## Sheath Cutter

Tool for longitudinal sheath cutting of cables

### Components

Cable type	Packaging	Ordering code
Standard	Piece	1014923

## Sheath Cutter (for Riser cable)

Tool for making a window-cut in a Riser cable

### Components

Cable type	Packaging	Ordering code
Standard Riser	Piece	1022054

## Picklock for HDPE duct couplers

Tool for locking duct couplers

### Components

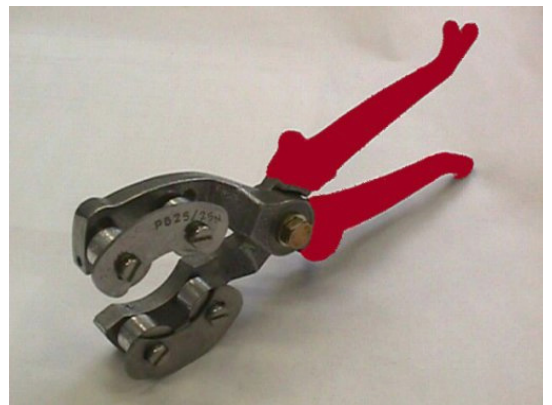

Duct	Packaging	Ordering code
Standard ducts	Piece	1014928

## Duct Cutter for HDPE ducts

### Components

Duct	Packaging	Ordering code
HDPE duct 25 mm	Piece	1014807
HDPE duct 32 mm	Piece	
HDPE duct 40 mm	Piece	1014808
HDPE duct 50 mm	Piece	
HDPE duct 63 mm	Piece	

CP033 / 0111

## Microduct Cutter

### Components

Microduct	Packaging	Ordering code
Standard	Piece	1014920

## Tube Stripping Tool

Tool set for stripping tubes from 1.8-4.2 mm and 4.3 mm and 4.8mm.

### Components

Cable	Packaging	Ordering code
Loose tube	Piece	1016318

## Connector Cleaning Tool

Tools for cleaning adapters and connectors,

### Components

Type	Packing	Connector	Ordering code
Cleaning tool C9392	1	SC, ST and FC	10161314
Cleaning tool C9393	1	LC and MU	10161314
