

ADSS Quote Worksheet

Required information:

Requestor: _____ Phone: _____ Fax: _____ Date: _____
Customer Name: _____ Due Date: _____
Installation Location: _____ City _____ State _____
Cable length (ft or m): _____ # of Jackets: _____ Single Jacket _____ Dual Jacket
Number of fibers: _____ Fiber Type: _____
Max. Span Length (ft or m): _____
Installation Sag: _____ 1.5% _____ Other _____
NESC Loading Condition: _____ Light _____ Medium _____ Heavy _____ Other (define ice & wind load) _____
Line Voltage: _____ Phase to Phase (kV) _____ Phase to Ground (kV) _____

Additional information:

Project Name: _____ Award Date: _____
Project Timing: _____
Cable Specification: _____ IEEE P1222 _____ Other (specify): _____
Vertical Sag limitation: _____
Horizontal Sag Limitation: _____
Special Print requirement: _____
Max. Elevation Change (in one span): _____
Environmental area: _____ Coastal _____ Inland _____
Est. Pollution Level: _____ Light _____ Medium _____ High _____
Hardware required: _____ PLP _____ Dulmison _____ AFL _____ Other (specify) _____
Hardware supplied by: _____ Customer _____ Cable MFG _____ Other (specify) _____
Structure Type: _____ Single Pole _____ H Pole _____ Steel Tower _____ Other (specify) _____
Additional Notes: _____

If line voltage greater than 69 kV see System Geometry Matrix page.
