

Draka Communications | Draka Communications Americas

Contact: Brian G. Risch
Title: Materials Technology Manager

Supplier Declaration:

We declare that all raw materials used in Draka Communications Cable products and all products produced in our Claremont, NC facility are RoHS compliant.

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) is a European Union Commission (EUC) Regulation on chemicals and their safe use (EC 1907/2006) entered into force on 01 June, 2007 and will be phased in until 2018.

Draka is classified as a downstream user under the REACH definitions and therefore we are not required to pre-register or register our formulations and products. However, Draka does require that all raw materials used within its products produced at the Claremont, NC facility are compliant to REACH and that all products produced by Draka contain less than >0.1 mass percent of chemicals listed as substances of very high concern (SVHC). We additionally declare that the substances and / or preparations we provide are compliant to any applicable restrictions listed in Annex XVII of REACH as of the date of this declaration.
